1. Update on TUPE issue – The August meeting did not take place and Chairman M Simmons will liaise with Mark Wells to move this along. Cllr. Barker advised that the TUPE issue should not arise as the cleaning is on a Contract Service and can be put out to Tender.

2. Maintenance –We will try to move this along with a Schedule of works to be obtained from Simon Jones and we need to look at the Football Pitch at Dawes Close which is not in a good state.

3.Paths and Highways –

3.2 Tree across footpath near Puritans Pit – Agreed that Ted's Tree Services should be approached and also we will contact DCC (Jonathan Rowlands) to see if they can assist.

4.Communications

4.1Discussion as to use of Basecamp – Discussions as to usefulness of this tool – possibly needs to be used more by Councillors but still considered to be a very useful aid to communication for Councillors and for the storage of information.

5.4 Update on search for a new Parish Councillor - The need for a new Councillor is to be highlighted in the new Newsletter.

5.5 Request for increased rent for Tennis Club– Under the lease there is provision for the rent to be reviewed at three yearly intervals and 2nd September 2014 is the first review date since the Lease was renewed in 2011. The request from the Gilberts is for the rent to be increased from £105.00 per quarter to £120.00 per quarter. These details have been passed to the Tennis Club to be considered and we await their confirmation that they are happy to increase the rent to us to the same figure. The proposed rent increase seems reasonable and as long as the Tennis Club Committee confirms to us that they will pay the increased rent, it was agreed that we comply with the increase.

6. Any Urgent Matters at the discretion of the Chairman –

It was agreed that the pointing between slabs should be looked at and considered at a future meeting.
